ATTORNEY ASSISTANT

Hourly Retainer Models & Employment Screening

Purpose

Assist with pre-litigation negotiations for settlement

Qualification

Determines if the case is suitable for contingency if no settlement is reached

Scope of Services

Attorney assists with negotiations on various claims against the employer

Cost

Clients pre-deposit or prepay for attorney time at an hourly rate

Simplicity

The retainer template is simple, ensuring clarity for clients

Screening Process

01 SCREENING
Collect basic case information and assess potential for legal action

02 FOLLOW-UP
Attorneys may request more details or schedule promising cases for further discussion

03 EVALUATION
Attorneys review information and decide on next steps

04 OFFER
Hourly time retainers are proposed for cases not immediately suitable for contingency

05 FLEXIBILITY
The process is adaptable to fit the firm's needs and can handle both hourly and contingency cases.
